For the Host

Before the Party

- Block the Date(s) & Time(s)**
You and the guests of honor's participation make the party more fun and successful. For a virtual party, set aside time each day the party is happening to engage with your consultant and your guests.
- Encourage the Couple to Create a Registry**
The couple can create a registry by adding products they are most interested in to a list. Guests can then purchase these gifts for the couple. If you need additional help, ask your consultant about the Registry Checklist; it will help the couple decide which products to add to their registry.
- Encourage the Couple to Visit the Host Dashboard**
The host dashboard lets the couple check on their host rewards and guest orders. It's also where they can place their order and use their host rewards. Ask your consultant for more details!
- Create the Guest List & Start Inviting People**
Ask the couple for their guest list. If you're having an in-person party, make sure you go over the guest list with them.

If you're having a virtual party, remember to invite out-of-town family and friends. The more the merrier!
- Collect Orders Before the Party**
Guests can order right away using the party link! Share the registry link with family and friends, and have the couple post it to their wedding website.

Have someone who can't order online? Have them reach out directly to your consultant.
- For In-Person Parties:**
Confirm your RSVPs one week before the party.

Work with your consultant to choose a recipe that matches the wedding shower's theme. Then, purchase groceries accordingly.

During the Party

- Be the Life of the Party!**
For virtual parties:
 - Welcome friends with a post. Plus, encourage the wedding couple to post, too!
Tip: Video posts get the most attention and are a way to make the party personal. Try going live at least once!
 - Post often! Share favorite products from the couple's registry or post fun games to get to know the couple.
 - Comment and engage in the party often.
 - Watch for tips from your consultant on how to make the party a success!**For in-person parties:**
 - Have ingredients on-hand.
 - Welcome your guests.
 - Share your favorite Pampered Chef products and what's on the couple's registry list.

After the Party

- Last Call for Orders**
 - Reach out to guests who attended and haven't ordered.
 - Reach out to the couple's friends who didn't attend the party but may be interested in placing an order.
Tip: Share your party shopping link when you reach out to make it easy to order.
- Connect the Couple With Your Consultant**
Your consultant can help them as they shop their registry list, and make sure they place their order on the Host Dashboard before the party closing date.
